

WEDDINGS AT ASYLUM & AMP STUDIOS

We have two spaces available for weddings. Asylum, a hidden gem in the heart of South East London, is ideal for your wedding ceremony.

Located a five minute walk away is AMP Studios, a versatile ceremony and reception venue consisting of two railway arches with a generous covered outside area; the perfect blank canvas for your wedding day.

Both venues can be hired individually or as a pair at a discount.

Wedding Ceremonies at Asylum

Asylum is a Grade II Listed Building, built in 1826 by the Licensed Victualers Benevolent Institution for use by the residents of Caroline Gardens. These residents were made up of retired workers of the alcohol trade. Bombed in WWII, the present use of the chapel is as a flexible space which can be hired for photographic and film shoots, exhibitions, theatre and weddings. We welcome same-sex partnerships.

The chapel is a ceremony-only venue, so you are able to have a toast and some canapés after your service but no sit-down meal, buffet or food trucks; your full reception would need to be taken offsite.

The chapel is suitable for up to 120 guests.
